

**DOOR OF HOPE
IN NEED OF FUNDS**

The Door of Hope in Columbia is in need of funds for the daily bread of 60 people—30 cents per day per person is \$600.00 per month—then fuel—medicine—ice, etc., and a promise to pay the matron, Miss Finnstrom, and her able assistant, Miss Holmes, a small salary. They are dependent on the good people of this State for their support and we know they will get it when their need is known. The home takes care chiefly of the unfortunate girls that are about to become mothers and have neither friends nor money to take care of them. They are South Carolina girls—very few from Columbia mostly from the rural districts—and their appeal is to the South Carolina men and women to help them. Make checks payable to the Door of Hope and send to Miss Finnstrom, "The Door of Hope," or Gustaf Sylvan, Treasurer, Columbia, S. C.

**A FINE EXAMPLE OF
DIVERSIFIED FARMING**

Clemson College, December 22.—County Agent T. M. Mills, of Newberry County, tells below of the success of a small farmer, who has shown what can be done in the way of diversified farming in that county.

"I visited one demonstrator this week who has accomplished something worthy of note. Mr. H. M. Wicker last year sold from his farm other than cotton produce to the amount of \$1,600.00. This year he says he will reach \$2500.00 from such sales. This was done by himself and

family without hired help. He feeds and milks several cows, sells milk and butter and some surplus calves. He was filling a 100-ton silo the other day when I was there,—had it nearly full and had enough left for several more tons. Mr. Wicker manured

seven acres of land with some of the cow stable manure and 200 lbs. per acre of commercial fertilizer and has gathered from the 7 acres 13 bales of cotton. A nice profit from the cow. "Mr. Wicker also believes in modern improvements. He has just in-

stalled electric lights and is preparing for waterworks in the home, besides various other improvements.
